

STRANRAER ACADEMY WINS ECO-SCHOOL GREEN FLAG FIRST SECONDARY IN D & G

As the Christmas Newsletter was about to be printed, the school received the fantastic news that we have gained the prized **Green Flag**, the highest Eco-school award available. We are the first secondary school in Dumfries & Galloway to achieve this accolade. Great credit for Stranraer Academy's Eco-school success is due to organiser Mr Lockwood, and his team of staff volunteers, together with the many pupils who have played an active and enthusiastic part, with the whole-hearted support of parents and the community.
